Invest in Youth. Invest in the Future.

At the YMCA, one of our most important goals has always been to enrich the lives of the kids in our community. But when some are left out, it leaves us all a bit poorer. As a person with vested interest in the future of our community, you can help these kids grow into responsible, successful adults. YMCA activities help children develop valuable skills, gain confidence and build self-esteem. By contributing to the YMCA Invest in Youth Campaign, you can help us teach these young people important values such as, caring, honesty, responsibility and respect.

**Building For
 The Future**

“Your donation to the YMCA Invest in Youth Campaign is one of the best investments you can make in our community’s future.”

Last year the Decatur County Family YMCA provided more than \$ 56,747.00 in financial assistance to those in need as a direct result of the many giving hearts throughout our community. Our goal this year is to raise \$56,500.00 and to extend our reach to many other children in need of our services.

We live in an age where many households are headed by single parents or a home where both parents need to work full time. Many struggle to make a life for their families. They seek solutions to real-life issues.

It becomes the responsibility of everyone in the community to help our working families instill the values of caring, honesty, respect, and responsibility in every youth. At the YMCA, we can work together to engage our youth in meaningful programs, and create opportunities through meaningful personal relationships that enhance individual development. We can help to build in youth the strong character needed to make positive decisions about the direction they choose in life. The mission-driven programs of the YMCA do just that.

A lasting gift to a child is that of a community with a listening ear and a caring heart.

Exercise the love in your heart by making a gift that allows the mission of the YMCA to serve the children who need us most.

“Whoever welcomes a child such as this for my sake welcomes me.”

Mark 9:37

Here are some ways your gift will directly impact youth:

- ♥ \$50 allows two children to learn skills, sportsmanship and team work through participation in YMCA Youth Sports.
- ♥ \$100 enables one child to attend a YMCA After School program for a month, a chance to make new friends and strengthen values.
- ♥ \$200 will provide two one-year memberships to a boy or girl who cannot otherwise afford to be a member.
- ♥ \$500 provides recreational and educational activities for five weeks of summer camp.
- ♥ \$725 will sponsor a family who will enjoy membership activities for a full year.
- ♥ \$900 will sponsor a full year of Preschool education activities for one child.

“It is more blessed to give than to receive.”
